C. Showing

1. All entries must be shown and sold by the individual owner unassisted, with exceptions as noted by species. The General Show Chairman may make exceptions to this rule by permitting another member to show or sell an animal. Examples would be in case of illness or physical handicap, if two animals are shown in the same class, or if the member is participating in another sanctioned 4-H or FFA event.
2. Uncontrollable animal or animals that the exhibitor cannot handle alone may be disqualified and required

to leave the ring by the superintendent. All beef bulls 6 months of age or older are required to be shown with a nose lead.

RULES AND REGULATIONS:

OBJECTIVES

4-H horse shows in Missouri are designed for the development of the boy and girl; therefore, it is intended that they provide opportunities for 4-H members to:

1. Develop leadership, initiative, self-reliance, sportsmanship, and other desirable characteristic traits.
2. Have fun and enjoy the recreation provided by riding and showing horses.
3. Learn skill and horsemanship.
4. Achieve a knowledge of breeding, feeding, training, and management of horses.
5. Develop an ability to judge horses.
6. Increase awareness of safety precautions to prevent injury to themselves, others, and their mounts.

ELIGIBILITY

MEMBERSHIP

1. Each exhibitor must be enrolled by April 1 of the show year in a 4-H horsemanship project. **Exhibitors must have a Project Horse Enrollment Form for each horse to be shown on file at the County Extension office by May 1.** Members are to keep a copy of this form in their possession.
2. Each exhibitor must be a member in good standing within his or her local club, including attendance at a majority of the project meetings held and at least half of the club meetings held to date of show entry closing. **Each member is to provide proof of eligibility in the form of a Project Horse Enrollment Form with the appropriate signatures when registering at a 4-H approved show. Failure to provide this form along with the Coggins report can result in refusal by the show management to allow participation.** FFA members in good standing are eligible to participate.

AGE

1. Each exhibitor must have passed his or her eighth birthday and not have passed his or her nineteenth birthday before January 1 of the current year. The age on January 1 is the age for the entire year.

OWNERSHIP

1. Exhibitors must own or manage all horses shown beginning not later than May 1 of current year. Although ownership is desired, it is not required. Management is defined as the animal being under the complete care of the 4-H member for the time they are enrolled in the project. **Horses which are not owned by the 4-H member(s) must have a lease agreement on file (on the back of the Project Horse Enrollment form). A leased horse must be under the control and management of the project member and meet all other requirements of the project horse.** Horses shall not receive professional training, showing or handling after May 1 of the current year. Riders may receive professional riding lessons, however the trainer/instructor is not to train the horse. **Training is defined as schooling the horse, not as assistance in clipping, loading into the trailer or assistance with potentially dangerous situations. Safety is of the utmost importance and the 4-H program recognizes that members may need occasional assistance. Ongoing behavior problems that require trainer assistance are considered training and will result in disqualification as a 4-H project horse.**
2. Warming up or training of horses by anyone other than the project member enrolled on that horse is prohibited on the show grounds. Violations of this rule are subject to disqualification from the show.
3. **A project horse may be shown by more than one family member, at County and Regional Shows, as long as that horse is enrolled as a project horse for each member. Check the State Fair Horse Show rules, they may have different requirements.**

CERTIFICATION

1. The 4-H Project Leader has the responsibility of certifying that membership, age and management requirements are met.

GENERAL RULES

1. Infraction of any rule is subject to disqualification from the show. The show committee's decision is final.
2. Concerns about infractions of the rules should be addressed in writing to the show committee. Concerns which cannot be resolved should be submitted in writing to the State 4-H Specialist in charge of 4-H Horsemanship Programs who will either make a decision based on the rules, or refer the complaint to the grievance committee.
