Adult: S M L XL XXL

4-H CAMP PROVISION

Providing a safe and educational camp experience for youth is the top priority of the 4-H Youth and camp staff. Campers who violate 4-H Camp rules or policies concerning substance possession, inappropriate personal conduct or safety will be sent home immediately. In such an event, it is the parent or guardian's responsibility to retrieve their child immediately from 4-H Camp. Campers bringing cameras to camp may not take any photos inside the sleeping cabins (this includes cell phones). A designated time for taking cabin photos will be selected at each camp. Parent's signature indicates acceptance of these terms.

A nurse will be on staff at each camp. All prescription medications and over-the-counter medications are collected and given by the camp nurse and MUST be in original bottles with labels and dispensing instructions. Any child requiring injections should provide medications, syringes and written instructions signed by physicians. Please send written instructions with any over-the-counter medication with the child if the treatment differs from the label. Camp will have certain basic over-the-counter medications. The majority of children seen by the nurse require no more than basic first aid or treatment you provide for your child at home. Common problems the children have are headaches and stomach aches. Listed below are medications that will be stocked in the camp nurse's station:

- | | | | | |
|---------------|---------------------|-------------|-----------------|------------------------|
| Acetaminophen | Antihistamine | Ibuprofen | Calamine Lotion | Sunscreen |
| Aloe Vera | Antibiotic Ointment | Maalox Plus | TUMS | Robitussin Cough Syrup |

If you wish to have the nurse dispense any of these medications instead of sending these from home, please complete the form below.

My Child _____ has permission to take: _____ All of the above medications _____ None of the above
All Except: _____ Other medication _____

Parent/Guardian Signature _____

Date _____
