Missouri 4-H Foundation Scholarship Application

Submit the following information (Sections 1 - 9) in a **folder**.

Section 1: Biographical Data

Form attached – **please note signatures are required**.

(Sections 2 – 7 must be computer generated)

Section 2: Leadership (two page maximum)

Write one paragraph on each of the seven Leadership Life Skills (Understanding Self, Communicating, Getting Along with Others, Learning to Learn, Making Decisions, Managing Resources and Working with Groups). It is very important to relate these skills to the 4-H leadership roles you have held during the past two years, such as holding an office, serving on a committee, and/or 4-H project work. Discuss what you learned from your leadership experiences.

Section 3 and 4: Citizenship (1/2 page) and Community Service (1/2 page) [1 page total]

On a separate sheet of paper, write a narrative of your citizenship and community service experiences. (include 4-H experiences)

Citizenship is an important part of the 4-H program. It can be described as who or what we are, as what we believe, or as what we do. *Legal citizenship* focuses on citizens' government-guaranteed rights and responsibilities such as voting, following the law and qualifying for benefits. Legal citizenship offers us important freedoms, protections and responsibilities. *Patriotic citizenship* is based on a belief that American citizens share a common core set of values. Our commitment to democracy is one of these values. Active citizenship focuses on the collective action we take to address our common concerns. It emphasizes our ongoing involvement in making the decisions and doing the work that creates the world around us. It focuses our understanding of democracy on its literal meaning: rule by the people.

Identify ways you have participated in citizenship experiences and describe what you learned about your community, school or country, as well as about yourself, in the process. Experiences may include, but are not limited to, volunteering on election day, participation on local extension councils, attending local government days, job shadowing a government official, participating in Citizenship Youth Forum, writing a letter to the editor of the local newspaper, voting and voicing your opinion at club meetings or learning about other cultures such as attending the Kansas City Global Conference.

Community service is what you do as an individual or group to help your community. Identify community service projects and activities in which you have participated and describe what you learned through the experience

Section 5: 4-H Story (one page maximum)

Share information about you as a person. Emphasize your personal growth and development. This is your opportunity to share how 4-H has contributed to who you are! You could include your most significant 4-H projects, activities and experiences. If you identify projects and activities, discuss the skills you learned and how these experiences are important to you now and

in the future. Lists of accomplishments, activities and projects are nice but the review committee is more interested in what you **learned** from these experiences and how they will assist you in the future.

Section 6: Career Goals (one page maximum)

Discuss the following questions:

- How will your post-secondary education assist you in attaining your career goals?
- What is your major field of study?
- What are your reasons for choosing this course of study?

Section 7: Additional Information

- How many total years have you been in 4-H?
- What is the name of your hometown newspaper?
- If the application is for the Missouri 4-H Foundation Miller-Thorne Scholarship, you must attach an essay regarding “free enterprise”.

Section 8: Academic Record

Submit a copy of your high school or college transcript. **GPA must be identified on the transcript.** Home school youth must submit an ACT or SAT scores.

Section 9: Financial Need Information

Youth and parent(s)/guardian must complete the financial need information form attached. **Please note signatures are required.**
