University of Missouri Extension

TOUR HIGHLIGHTS
Benefits of Alfalfa in Beef Nutrition
Establishment & Management
Variety Selection
Weed and Insect Control
Hay Harvest Techniques

Presentations will be given by Tim Schnakenberg, Agronomy Specialist, Eldon Cole, Livestock Specialist and the Stines. The tour will occur outdoors unless there is rain. Bring your own lawn chair. There is no cost to attend and no need to preregister. For more information, contact the Stone County Extension Center at 417-357-6812.

DIRECTIONS TO THE TOUR SITE
The tour will occur on their north farm located at 2918 Jasmine Rd, Clever, MO. The road is 2 miles south of Clever and 1 mile north of Union City on state highway K. Turn west onto Jasmine Rd. (county line road) and go 1/4 mile to the lane next to a small white house on the south side. Watch for signs on Jasmine Rd.
