

Lawrence County Twilight Horticultural Tour

August 21, 2018 6:30 p.m.

Aurora Area

Everyone is welcome to attend the annual tour near Aurora.

The tour highlights miscanthus production.

M-fiber, a subsidiary of Renew Biomass, focuses on all aspects of miscanthus production. The final product is utilized by the pet food industry and is an ingredient of most commercially available pet foods on the market today.

Tour begins at M-Fiber headquarters, located at 19097 Hwy 39, Aurora.

Tour concludes at a nearby miscanthus field owned by Rusty Mulford.

**For details call 417-466-3102. Advance registration not required.
Sponsored by University of Missouri Extension Council of
