Heifer Sale Consignors**

Re: **Time for Consignment**

It's time for SMS sale entries. Consignment fee will be \$17 per head and is due with your consignment which is **due April 22**. It will be used for Show-Me-Select certification fee and \$2 per head will go to NEMO BCIA as dues. **Our sale date is June 1 at 6:00pm.**

The sale barn will charge 3% this year and that will be deducted from your check sale day.

The sale committee reminds you:

- 1.) Please leave heifers with a **disposition problem at home**. The buyers don't like them and we don't want them!!
- 2.) Final preg-check and treat for internal parasites within 30 days of the sale and do it as soon after May 1 as possible. **Also, put SMS tags in at this time – Zac, Brenda and Daniel have them.**
- 3.) **Remember** – All heifers selling in the sale **must have been BVD-PI tested & negative** sometime since birth & prior to the sale.

We will draw for sale order just like in the past and then sell groups in a sale rotation based on that sale order.

At this time we do not know what our schedule will be for bringing heifers to the sale.

**Consignments are due by April 22** with your check for \$17 per head. A consignment form is enclosed. **It is extremely important that we have these by April 22 so we can prepare the pre-sale information, make sale flyers and do advertisement. If we don't have your consignment, you may be left off the sale flyers and the early ads.**

(Over)

Will you have heifers in the sale that qualify for the **Tier 2 Classification or Show-Me-Plus** (see SMS requirement sheet)? If so, fill out the appropriate information on the entry form.

Please be selective with your consignments. **Don't try to include any heifers with questionable eyes, ears, less than 5 body condition score, or with poor disposition.** Also, we prefer no body condition scores of 8 or above.

**You will be listed in the sale catalog in the order your entries come in. No money, no entry listing!**

If you have questions call.

Sincerely Yours,
