## Welcome to a new 4-H year!

### CLUB LEADERS

Thank you for signing up to help provide 4-H members with a rewarding and wonderful experience in the Missouri 4-H program. September is an exciting part of the 4-H year as the new program year is just beginning. You will begin the enrollment process in your club, getting members signed up, recruiting project leaders to assist the members in their projects of interest, explaining literature ordering process and collecting 4-H membership dues to name a few. This can be a very overwhelming job, ask for help from others adults in the club. Remember to encourage club officers and other 4-H members take responsibility for events and activities, this is a great experience and fosters ownership of the program.

### End of the Year

Club leaders– hopefully you will have had the opportunity to turn your leader box back into the Extension Office so they can refill it for the new year. New 4-H Clover project books and re-enrollment forms will be coming out within the next month. If your club will be selecting a new leader, please let the Office know as soon as possible so we can include them on our mailing list.

\*Please fill out the Confidentiality Statement and Name and Emblem Request papers as soon as possible and return to the office.

### 2009-10 Officers

As soon as your club has elected new officers, please send the list to the Extension Office.
