***NW Regional
Float Trip***

EXTREME 4-H

**Outdoor Adventure
Series**

The Adventure

This year, we're headed to Lebanon, MO. We'll be floating on the Niangua River. When we float, we do it in style—so we will be using rafts once again this year.

We will stop along the way to experience some surprise adventures and will do the same on the return trip (caves, natural areas, etc). *Please note—we will NOT be doing paintball this year.* This will give us more time for other outdoor activities at the campground. We will accommodate all needs, but youth should be prepared to experience moderate activity on this trip.

Your guides for all activities will be 4-H staff and official 4-H volunteers. **Note: We will going back to nature this year—tent camping!**

WE WILL PLAN ON TAKING A SCHOOL BUS—DEPENDENT ON NUMBER OF PARTICIPANTS. PLEASE PROMOTE TO FRIENDS!

Well, I hope I'm not alone when I say it's time to have a little fun. This year's float trip promises to be exciting for veteran floaters and new floaters alike. Get excited!
