

2009
Livingston County/State Fair
4-H Exhibit List

1. Items made by 4-H members should reflect the skills they have learned in their 4-H project, the needs and interests of the 4-H'er, and quality workmanship. Use the 4-H project literature and the "Clover" for ideas and criteria.
2. Items displayed must:
 - Be made in the current year
 - Be the work of the 4-H members
 - 4-H member must be enrolled in the project
3. A member is limited to 3 (three) exhibits per class at the County Fair.
4. Items are displayed at the risk of the 4-H member. The 4-H staff, Extension Centers, and Missouri State Fair are not responsible for loss or damage to items.
5. A member is limited to two items in the State Fair 4-H Building and one demonstration in the 4-H division.
6. The number of items per class that a county may display at State Fair is printed in the right-hand margin of the item list.
7. The following items will be displayed in the "Library," a special area that allows fair goers to touch and examine the items. 4-H'ers name and address should be permanently affixed to item.
 - Notebooks (three-ring binders are preferred) – name and county on spine
 - Posters (flat only; do not fasten items to the poster.) – name and address on back
 - File card systems

These items will be accepted from any project. Youths who show notebooks, posters, or file card systems should understand that their exhibits will be handled.

8. Where the item list states, "any item made," the 4-H member may display any item made in that project. This includes notebooks, file cards, photo displays, posters, or educational displays. **Regardless of projects, the following dimensions must be used.** Items, which do not comply with size or other specifications, will not be displayed or receive a premium or ribbon at the State Fair.

Poster - No larger than 14" x 22"; flat only; do not fasten three-dimensional items to the poster.

Photo Display

The following guidelines are requirements for State Fair 4-H photography exhibits:

- All photos should be mounted on an 11" x 14" **mat board, not to exceed 1/8" in thickness.** Materials such as poster board or foam core board are not acceptable mounting materials.
- Photographers may mount the photograph to the mat board using an acceptable adhesive or approved corner mounts.
- No captions, titles, or writing on the mat board. The picture should tell the story.
- Margins are at the discretion of the photographer.
- No photos using glass and/or wooden, brass, plastic frames, etc.
- Photos can be matted with a single window colored mat if appropriate.
- To protect exhibits from dust and moisture, photos should be placed in a two-gallon zip-lock-style bag or wrapped in plastic.

- Photo stories should follow the above guidelines and consist of no more than 4 photographs.
- Include name, address and county on back of photo.

For definitions and the complete guidelines governing State Fair photography exhibits, please see <http://4h.missouri.edu/go/events/statefair/photoguidelines.pdf>. Exhibits that do not adhere to these guidelines will be disqualified. These exhibits will not be displayed and will not receive premiums or ribbons.

Educational Display - Must not exceed 11 inches in height, 12 inches in depth (front to back) and 14 inches in width. Must include three-dimensional items and stand-alone. **(Posters with items taped to them do not qualify as an educational display. Science fair display boards are too large.)**

Entomology or Geology Display Boxes - Box must be no more than 18" long x 24" wide and 3 1/2" deep to fit in display racks. Plexiglas or plastic covers are preferred. No handles or knobs. Boxes will be displayed upright in racks.

Scrapbooking exhibits should be only 1 page representative of the complete scrapbook.

- Size not to exceed 12" x 12".
- All pages should be in clear protective sleeve or clear zipper bag. Do not frame.

Working Models - These exhibits should show how things actually work (cutaway-sections of motors or computers) or can be used to help people identify parts such as parts of a motor or computer. Many times these exhibits are considered "hands-on" and can be handled by visitors. Working models should require floor space no larger than 14" x 22".

Decorated Cakes - The use of forms or pans is recommended. **Cakes should not exceed 13" in height or at the base.** Cake boards should not exceed 1" margin on each side of cake pan or form. **Must only use Royal Icing, Rolled Fondant or commercial product (i.e. Dapp) that will harden and preserve the decorated cake.** (No real cakes, Butter crême icing or tube/gel icing - displays containing these items will be considered ineligible and will be rejected.)

9. **State Fair** - Perishable items such as food, vegetables, crops and home grounds items will not be returned after the Fair. Edible vegetables will be donated to a charitable organization. These items are displayed in group settings not as individual projects.
10. **State Fair** - Photographs of items too large or fragile: All pictures of projects should not exceed 5 x 7, should not be mounted on anything, and should not have multiple pictures. Counties should send pictures individually rather than making a poster board of all the pictures. The tag should be attached. Indicate on the voucher that this is a project too large or fragile to come and what the project is. These photographs will not be returned. Do not send pictures of items that would be disqualified if sent to the fair.
11. **State Fair** - Electricity exhibits using batteries such as circuit boards should not connect the wires to the battery rather the wires should be taped behind the battery. Another option is to not attach a battery but indicate "battery goes here." This is to prevent potential fire hazards.

12. **State Fair** - All 4-H Building items must be checked in and out of the 4-H Building by State Fair 4-H Personnel during established times. **(No exceptions will be made.) No early removal or checkout of items is permitted.** Items, which are not properly checked in or out of the 4-H Building, will not be awarded premium money and/or ribbons.
13. **State Fair** - No outdoor exhibit space is available. Please contact the State 4-H Office at 573-882-1441 prior to check-in for approval of large over-sized exhibits. Determination of items to be showcased will be left to the discretion of the 4-H Building Superintendent based on available space and the safety of fair-goers. Submitting photographs of these items is encouraged. A ribbon and premium will be awarded for the project.
14. Shooting Sports exhibits should contain no live ammunition and arrow points should be removed.
15. **State Fair** - All items must have a Missouri State Fair tag securely fastened to the item in a place that is visible to fair-goers. A second identification label is required on all items, except perishable items such as food, vegetables or crops. This label should give name and county of the 4-H member, and be placed in an inconspicuous spot. When an item includes more than one piece, each piece must be labeled with name and county. (Examples: jacket and skirt; rocket and rocket launcher; ceramic tea set; mittens, etc., should have an identifying label on each piece.) Textile items (clothing, knitting, visual arts, etc.) should have a cloth label sewn or safety-pinned into the item as a second label. Please remove all county or regional ribbons. Vegetable and food tags should be placed in an envelope.
16. **State Fair** - Hams will be dually enrolled in the Youth Class of the Country Ham Class and may become eligible for sale if selected as Champion. The 4-H member is required to complete all Open Division entry forms which should accompany the project at check-in and pay the \$5.00 entry fee which is required in the Agriculture Building. Checks must be made payable to the "Missouri State Fair." Only 4-H hams should be checked in and out of the 4-H Building.
17. **State Fair** officials reserve the right to modify point values on items. The assigned point value must be used unless the 4-H Superintendent approves the change.

ALL ITEMS IN THE 4-H BUILDING HAVE BEEN
JUDGED AS COUNTY CHAMPIONS.
ITEMS ARE NOT RE-JUDGED
AT THE STATE FAIR!!

FOODS/NUTRITION

Exhibitors must adhere to the following rules:

1. Food must be of reasonable quality to keep for a week. Do not send food items that will spoil quickly such as casseroles, pizza, cream pies; items made with cream cheese, etc.
2. Submit food items on paper or disposable plates. Plastic wraps will be removed so drying of the food will extend exhibit life of the product. At the **State Fair** food items will be removed from plates and distributed as part of a bakery display. Individual tags will be displayed separately. Please do not send expensive or keepsake containers!

3. **State Fair** - No samples or recipes are needed with any food items. **County Judging** – samples of any food items are needed. Recipes are not needed as one talks to the judge and should know how and with what the recipe was made
4. Biscuits, cookies, muffins and other small items should be **four per plate**. Cakes should be exhibited in mini-versions (approximately 8 inches in diameter or in portions of 1/3 to 1/4 of a larger total product). (At county judging a sample for the judge is needed but not for State Fair.)
