MACEDEP Excellence in Teamwork Award

Objective:
To encourage and recognize outstanding Extension programs or projects conducted by a team that demonstrates effective performance and significant results (impact) at the community, area, state, or multi-state levels.

Award:
Recipients of the teamwork award who are members of MACEDEP will be recognized with a plaque at the MACEDEP conference; certificates will be presented to any additional team members who are not MACEDEP members. If eligible, award winners may be submitted as the MO nomination to NACD.

Eligibility:
1. Team size is limited to ten (10) members.
2. Program/project must have been completed between January 1 and December 31 of the previous year (or longer).
3. A majority of team members must be members of MACEDEP. For NACDEP awards, a majority must be members of NACDEP for current and past year.
