Despite less-than-favorable weather conditions, our plant sale on May 4 went very well. Tough MGers brought their amazing variety of plants and tough customers braved the temperatures to support our sale. Knowing Spring was just around the corner [even though we had 3” of snow two days before], plant lovers bought plants for their gardens, lawns, and homes. Who would have thought we would be wearing winter coats, gloves, and hats at a plant sale in May?!

Since we had a nice variety leftover, we hosted another sale on May 11. Thanks to Bill Andrews for hosting our sales at his business site. The plant sale is a team effort and we have an awesome team. Net profit: $2000 m/l

Crystal Bridges-Bentonville
June 1-10:00 am
We will be walking on a trail through the beautiful gardens then through the art museum. We will meet at the museum at 10:00 am. If you plan to go, call Jutta at 417-845-6774 or email so she knows who is coming. Admission is free. Need directions?
Jutta McCormick and Jo McElmore hosted a booth at Neosho’s National Fish Hatchery on April 21. Each year we participate in their open house held in conjunction with Neosho’s Dogwood tour. Our booth is always a popular feature.

**RECORDKEEPING**

Don’t forget to record your hours on your 2013 service record! Be sure to record your service hours throughout the year. Need a form? Contact the Extension office, print HERE, OR report electronically.
