4-H Camp Provision

Providing a safe and educational camp experience for youth is the top priority of the 4-H youth and camp staff. Campers and Volunteers who violate 4-H Camp rules or policies concerning substance possession, inappropriate personal conduct or safety will be sent home immediately. In such an event, it is the parent or guardian's responsibility to retrieve their child immediately from Camp Clover Point. Campers and Volunteers bringing cameras to camp may not take any photos inside the sleeping cabins (this includes cell phones). A designated time for taking cabin photos will be selected at each camp. Parent's/Volunteers signature indicate acceptance of these terms.

By signing this application, I certify that I am a certified 4-H Shooting Sports Leader in the state of Missouri and I am a volunteer in good standing with the county in which I am enrolled. I will do my best to be a good role model for the youth I am working with and encourage safety at all times.

If selected, I will submit a completed adult health form to be kept on file with the camp nurse for the duration of Shooting Sports Camp.
