The Basics of Beekeeping In Missouri

Saturday, November 1, 2014 9:30am-3:30pm
George Washington Carver Farm – Lincoln University
3804 Bald Hill Road Jefferson City, MO

This all day workshop will be taught by Jim and Valerie Duever of Jim ‘n’ I Farms, Inc. The speakers have taught several beginning beekeeping workshops and are very passionate about educating people on beekeeping. Come learn about how to start, manage and maintain productive honeybee colonies through an entire year. Also, we will be doing a hands-on building of a hive. This hive will be given away as a door prize!

Cost: $40.00 per person
Class limited to first 35 paid students
Contact the Morgan/Moniteau County Extension Center at (573) 378-5358 for more info or to register. Deadline to register is October 24, 2014.
