

M4M N&G GOAL: 20 Acres of new habitat / year / county

Activities to be done in each county:

Start growing plants from seed

At your homes. Obtain greenhouse access – at schools?

Find new areas to plant – plants by hand or seed

City Parks and Schools – they will maintain

Farms, Cities, Counties, Golf Courses, Airports, Storage lots,
Neighborhoods, Summer Camps and Home owners = THAT'S YOU.

Contact each town Mayor / Manager for Mayor's Monarch Pledge
Contact city parks to establish Monarch Butterfly Way Stations

Adopt a Highway - Contact MODOT in your county

Utilize online resources – partial listing on M4M.blogspot.com

Wear Monarch clothing: www.bit.ly/Tannaddilly-Monarchs (case sensitive)

Give Talks to Civic organizations – general community talks at libraries:
You give the talk OR Ask Glenn to give the talk.

Contact your beautician: educate, motivate, donate

Farmer's markets: sell plants & seeds, give out flyers, and talk it up.
Give away seeds or plants?

Submit known milkweed locations online at:
www.MidMoMonarchs.info

Collect Seed this October/November and start over planting next spring.

We need to get stems in the Ground.
