
Summer Programs by
University of Missouri Newton County Extension Center

Day programs at Newton County Extension provide a safe place for kids AGES 8-12 to spend the summer learning about the world around them. We will be adventuring through topics like Robotics, Waterways, Exploring the Outdoors, Theatre Arts, Arts & Crafts, Clowning, & Gardening. Every day, we will spend time working on important reading and math skills so your child returns to school ready for the coming year. Physical activity and mental stimulation come together to provide an enriching place for your child to Learn, Grow, & Do more than ever before this summer!
