The Missouri 4-H Foundation is pleased to announce educational scholarships for 4-H youths and former 4-H members pursuing post-secondary study. One scholarship application form permits the applicant to be considered for any available scholarship, subject to conditions specified by the donor.

Guidelines

- High school applicants should have a grade point average (GPA) of 3.0 on a 4.0 scale. Home-school youth should submit verification of passing the GED and an ACT or SAT score. College applicants should have a GPA of 2.75 on a 4.0 scale.
- The scholarship must be used within 9 months after awarded. (Applicant must be enrolled in school).
- A Word processor or typewriter should be used to complete the application. Use plain white 8 ½ x 11" paper with 1 ½ margins. For computer generated applications, use a font no smaller than 12 pitch. Single-space within each answer and double-space between questions. It is difficult for the review committee to read your application if the print is too small!

Missouri 4-H Foundation Scholarship Application

Submit the following information (Sections 1 - 8) in a folder or binder.

Section 1: Biographical Data

Form enclosed – please note signatures are required.

(Sections 2 – 6 must be computer or typewrite generated)

Section 2: Leadership (one page maximum)

Write one paragraph on each of the seven Leadership Life Skills (Understanding Self, Communicating, Getting Along with Others, Learning to Learn, Making Decisions, Managing Resources and Working with Groups). It is very important to relate these skills to the 4-H leadership roles you have held during the past two years, such as holding an office, serving on a committee, and/or 4-H project work. Discuss what you learned from your leadership experiences.

Section 3: Citizenship and Community Service (one page maximum)

Write a narrative of your 4-H community service and citizenship experiences. It is very important that you write about both community service and citizenship in this section.

Definitions

- Community service - activities that make a community a better place to live (i.e., trash pick up, clean up days, nursing home visits, etc.).
- Citizenship – learning about and participating in government activities, solving community problems, etc.

Identify what you personally contributed to community service and citizenship activities. For example, if your 4-H club picked up trash or visited a nursing home, identify what you personally contributed and what you learned. Discuss how these experiences helped you in school, work and family life.

Section 4: 4-H Story (one page maximum)

Share information about you as a person. Emphasize your personal growth and development. This is your opportunity to share how 4-H has contributed to who you are! You could include your most significant 4-H projects, activities and experiences. If you identify projects and activities, discuss the skills you learned and how these experiences are important to you now and in the future. Lists of accomplishments, activities and projects are nice but the review committee is more interested in what you *learned* from these experiences and how they will assist you in the future.

Section 5: Career Goals (one page maximum)

Discuss the following questions: a) How will your post-secondary education assist you in attaining your career goals? b) What is your major field of study? c) What are your reasons for choosing this course of study?

Section 6: Additional Information

- a. How many total years have you been in 4-H?
- b. What is the name of your hometown newspaper?
- c. If the application is for the Missouri 4-H Foundation Miller-Thorne Scholarship, must attach an essay regarding “free enterprise”.
- d. If the application is for the Missouri 4-H Foundation Wayne Schoonhoven Scholarship, applicants must have exhibited in the State Fair 4-H Market Lamb Show within the past three years and must attach a separate one-page report summarizing this 4-H sheep project work.
