4-H Achievement Day
Public Speaking Contest Categories

JUNIORS (ages 8-10), INTERMEDIATE (ages 11-13), and SENIORS (ages 14-19)

* Three or # Five county winners advance to State in each age division in EACH category.

- *Prepared Speech:* This is the existing, “traditional” category facilitated at the state public speaking contests.

- *Extemporaneous Speech:* Speakers will draw three topics, have up to 15 minutes to prepare, and select one to speak on.

- *Interpretation:* Interpretations are to be memorized and take place without music or other external sound effects. Special makeup and clothing may be worn as the contestant deems appropriate to the content of the interpretation. Interpretation consists of two sub-categories and are limited to 5 minutes:
  - **Dramatic:** An oral interpretation of a serious selection of narrative or dramatic work. The source material may come from literature, a monologue, a theatrical production or poetry. This can be a great outlet for Theatre Arts members!
  - **Humorous:** A memorized oral interpretation of a humorous selection (or a humorous interpretation of an oral selection). Source material may come from plays, prose, literature, poetry, or other performance pieces. This might appeal to many youth …

- *Technology Assisted:* Technology assisted speeches are subject to the same rules and guidelines as prepared speeches, but allow for the use of presentation software. (Such as PowerPoint) This is an excellent experience with direct workforce preparation benefits.

**Compete in as many categories as you wish at the County Achievement Day. County winners advancing to the state public Speaking Contest can compete in only one event.**
