The 2012 Perry County Missouri Plat Book contains landownership maps showing acreage and parcel boundaries by township. Opposite pages show aerial views of the public and private roadways for that township. Also shown on the maps are waterways, railways, section lines, and municipal boundaries. The Plat Book includes maps showing Political Townships, Voting Precincts, and a street map of Perryville.

The Perry County Wall Map (36" x 48") is ideally suited to hang on an office wall for quick and easy reference. It combines and condenses all the detail within the Plat Book and provides a view of all of Perry County.
