24-Hour Voice Mail

As a volunteer service, Show-Me Master Gardeners provide free, non-biased, research-based answers to your gardening questions. Whether you are wondering about a particular insect or disease, have questions about your yard or landscape, or would just like to know more about caring for a favorite plant, shrub, or tree, we're here to help.

A volunteer is on-hand **Tuesday** during the growing season, **April 1 – October 1**, and year round by telephone. Regardless of when you may call, our goal is to respond to your question (s) within two business days or sooner if at all possible.

If you leave voice mail, don't hesitate to provide sufficient detail in your message to help ensure we understand your question. The more we know the more accurate and targeted our response. Please be sure to also include a phone number where you can be reached during the day.
