

To All Master Gardeners:

Wisdom: Gardening is the only unquestionable useful job.

Request: Get volunteer hours to M. Fox for October.

Information: Veterans Park project is moving forward – more information as it becomes available.

Volunteer Committee: Dan Harley – Chairman, Val Jontz, Sandi Bowling, Judy Thorpe,  
Leland Womack

November 3 Meeting, 11:30 am, Baptist Church  
Brief business items  
Program

Update:

To All Master Gardeners:

Our Tuesday, November 3 meeting at the Baptist Church will be a program presented by a guest, Betty Mathiba. This presentation has been made possible by MG Ina Bicknell and MG Sandi Bowling. Our guest is the wife of a graduate student at MS&T. She became a gardener many years ago in Botswana. Before coming to the US she shared her enthusiasm for gardening with students in Botswana through the Junior Achievement Program. In Rolla she uses her mobile garden in buckets and wheelbarrow to demonstrate self-sufficiency and sustainability. It is her dream to help people realize the potential lying fruitless in their backyard.

This may be about a 45 minute program and then some visiting with Ms. Mathiba after her presentation. There are no pressing agenda items that cannot wait until December. **Just enjoy the presentation.**
