

2009 Phelps County Master Gardener Core Course

Monday & Wednesday evenings

March 23—April 29, 2009

1:00 – 4:00 pm

Phelps County Extension Center

Total cost \$150.00 – includes manual

The Master Gardener program serves as a valuable and reliable source of horticultural and environmental information and expert volunteer service in Missouri. A love of gardening and a desire to learn more on this subject are the only qualifications for entering the Master Gardener program. An initial requirement of 30 hours of training and 30 annual hours of service to the community make the Master Gardeners a learned and valuable force within the University of Missouri Extension network.

Master Gardeners perform a variety of services, from taking phone calls from frustrated home gardeners to making presentations to garden clubs, civic groups, and community organizations. The Phelps County Master Gardeners are currently working on projects at with The Centre, Rolla Junior High and Middle Schools, Presbyterian Manor and The Rolla Towers and will again sponsor their Annual Garden Tour this summer.

“University of Missouri Extension does not discriminate on the basis of race, color, national origin, sex, sexual orientation, religion, age, disability or status as a Vietnam era veteran in employment or programs.”
