

Registration Information

The cost of the three-day Management Intensive Grazing School is \$135.00 per person or \$215.00 per farm (two people from the same farm, one certificate issued). This fee includes the cost of the Resource Books and other handout materials pertinent to the course and also includes meals/snacks.

Space is limited, and registration is on a first-paid, first-served basis, with final registration deadline of September 21.

A minimum of 20 people is required to hold this course. In the case that we do not have 20 registered participants, you will be notified and refunded your money so that you might attend this course at another time and location.

Please fill out the reverse side of this form and return it with your payment to the indicated address.

Make checks payable to:

Dent County Extension Council
