

# Discover NATURE in Missouri!

## Do you want to learn more about nature?

Are you interested in volunteering for activities and projects  
to learn more about nature and help others learn, too?

*If so, you may want to be involved in the Missouri Master Naturalist program,  
sponsored by the Missouri Department of Conservation and University of Missouri Extension*

**We invite you to come and learn what being a Master Naturalist is all about!**

**Orientation will be held February 6, 2019**

You must be 18 years or older to enroll

Class size is limited • Enrollment fee is \$100

Enrollment forms can be picked up at the

Dept. of Conservation office/Rolla • University Extension/ Rolla • register online at [meramechills.org](http://meramechills.org)

---

The Meramec Hills Chapter initial training will be held on Wednesday evenings

Classes begin March 6 - May 22, 2019 (12 weeks)

Classes run 6:00 pm to 9:00 pm and include three Saturday field sessions

Department of Natural Resources Land Survey Building, Mozarkite Room, 1251 Gale Drive, Rolla

---
