PLATTE COUNTY 4-H MEMBER'S RESPONSIBILITIES TO BE IN A COUNTYWIDE PROJECT

As a responsible Platte County 4-Her, I understand that projects led on a countywide basis are special opportunities to learn.

I understand and accept the special responsibilities relating to this countywide project group.

I understand that volunteer leaders set the schedule, and it is my responsibility to attend and participate if I have enrolled with them.

To enroll in countywide projects, I understand:

- ✿ I must directly contact the project leader to get enrolled with them before project begins.
- ✿ I must put the project code on my enrollment form.
- ✿ I must be a member in good standing to participate in countywide projects, shows, or fair.(attend majority of club and project meetings)

My responsibility as a member of a countywide project:

- ✿ Attend a majority of project meetings; project leaders will not remind members, unless there is a change.
- ✿ Contact volunteer leader directly if unable to participate or will miss a meeting.
- ✿ Get my own supplies or reimburse project leader as arranged.
- ✿ Work on projects at home; I realize that NOT all work will be done at project meetings.
- ✿ Help set-up and/or clean-up after each meeting.
- ✿ Give project reports at my club meetings.
- ✿ Exhibit at the county fair in this project.
