Polk County Fair Queen Contest

Young women must be between 17 and 22 years of age. They must have been a Polk County resident for not less than six months prior to the fair, attend a Polk County high school, or a member of a Polk County 4-H Club or FFA Chapter. Selection of the queen will be based on the following scoring basis:
Personal interview—40%;
Public speaking or talent performance—40%;
Public Appearance/modeling—20%.

The winner of the Fair Queen Contest will be eligible to compete in the Missouri State Fair Queen Contest. For more information contact Ashley Brown at 417-399-1668 or Polk County Extension Center at 326-4916. Deadline for entry is May 20.
Participants must reside in Polk County, attend a Polk County School or be a member of a Polk County FFA or 4-H Club. Sellers are limited to selling 1 animal per exhibitor. The following is the sale description:

"The premium sale of market animals is for premium only, not the actual animal. Whatever dollar amount is bid on the animal goes to the youth as an additional premium and the buyer does not receive the animal under this type of arrangement. The reason the sale is premium only is to allow the youth to retain ownership of the animal to show at Ozark Empire Fair and the State Fair if they wish. The premium sale allows area businesses to support the projects of Polk County youth and help ensure they have a positive experience. For anyone interested in obtaining high quality meat, you may want to visit with exhibitors because several of them will be selling their animals privately at the end of summer."

Any exhibitor wishing to participate in the Junior Livestock Auction must preregister for the sale by June 2nd. Sale entries will not be accepted after June 2nd.
