

Pulaski County Master Gardeners

2009 Officers

President: Geniece

Vice President: Don

Treasurer: Wendy

Secretary: Kelly

The Pulaski County Chapter meets the second Thursday evening of each month. There is a business meeting and continuing education.

The group also participates in Continuing Education around the state and at the annual State Master Gardener Convention.

Our mission is to extend University of Missouri Plant Science Division gardening information, information based on research of Missouri weather conditions, Missouri soil, and Missouri plants.

If you wish to become a Master Gardener, please check out the Core Course information for Fall 2009, Monday evening classes:
