

Instructions for completion of Fair Tags

1. Complete both portions of fair tags for each INDOOR exhibit. Use information provided on the entry summary mailed to each fair exhibitor. Outdoor exhibits (livestock shows, small animal shows, pocket pet show) do not require a fair tag.
2. Please print clearly and neatly.
3. Do not separate at perforation! These tags must remain intact until after exhibit is judged.
4. Firmly attach fair tag to exhibit using string, masking tape, safety pin, etc.
