Who are Master Gardeners?
Master Gardeners are adults of all ages who love to garden. They are members of the community who are interested in lawns, trees, shrubs, flowers, gardens & the environment.

Who can be a Master Gardener?
YOU can if you:
- Want knowledge and/or experience in gardening.
- Are willing to learn & provide Master Gardener information to the public.
- Attend the Master Gardener Core Class training sessions.
- Volunteer 30 hours to horticulture education the first year after the course. Followed by 20 hours per year in succeeding years and 6 hours of continuing education.

If you said yes to any of these statements then the information provided in this course will be of interest to you.
