University Extension does not discriminate on the basis of race, color, national origin, sex, religion, age, disability or status as a Vietnam era veteran in employment or programs.

# Technology Agreement - Campers

The University of Missouri 4-H Youth Development Programs coordinates 4-H education events and activities, such as 4-H Camp. All participants (adult & youth) must observe the following guidelines for technology use:

***Technology is defined as anything electronic that is capable of communicating through written, verbal, or photographic means. This includes cell phones, MP3, I-pod, I-Phones, PDA's, Blackberries, laptop computers, to name a few.***

- 1) The use of the camp name or logo or photograph is prohibited without prior written approval from the camp.
- 2) The creation of a website, group page, profile of camp or using photographs or text of or about campers or other counselors or staff is prohibited without prior written approval from the camp. A camp Facebook Pages is already provided at <https://www.facebook.com/4hheitspoint/>. Camp Manager (s) and Staff will maintain the Facebook Page prior and during camp.
- 3) I agree to be respectful of the Camp, its programs, the campers, other counselors and staff in all communications on the Internet, this includes profiles, blogs, e-mail, and all other Internet sites. This includes the following:
  - a) I will not swear or use obscene gestures in any type of communication, verbal or written.
  - b) I will not use harassment, bullying, or intimidation in any type of communication, verbal or written.
  - c) I will not post comments that are negative or make fun of a person's race, gender, religion, sexual orientation, or disability.
  - d) I will not participate in sexually explicit, suggestive, humiliating, or demeaning comments on the internet or social networking sites.
- 4) I agree to follow the cell phone policy, which follows. All cell phones from campers will be checked in at the beginning of camp to the adult 4-H staff. Cell phones will be given back to campers each day before bedtime and returned back to adult staff at lights out. If an individual need to use a cell phone before that time, they can contact an adult 4-H staff member.

I have read and understand the roles, expectations, and technology policy and agree to follow the rules. I understand that failure to follow the rules could result in dismissal as a camper.
