# Neighbor Day 4-H Exhibits

*A Favorite of Neighbor Day Visitors*

**GENERAL CHAIRMAN - PAT MOORE**

**4-H YOUTH DEVELOPMENT**

Fair exhibiting is educational. Each 4-H member may exhibit a maximum of three exhibits in a project area. For example, clothing is a project area and foods is another project area.

This exhibit may be any article made or produced by the member as a part of the project work—provided it is approved by the project leader.

To exhibit, members must be currently enrolled in the project to which the exhibit relates and have the approval of their project leader as being in good standing. General rules of the fair and home economics division will apply to the 4-H exhibits.

Exhibits must meet the full requirements of the class in order to qualify for ribbons or premium money. They must be of the current year’s work.

Every article (even 2 piece) should bear a *Fair Tag* so that items will not get lost. 4-H Club premiums will be paid to the club leaders for disbursement to members at the next club meeting.

### CLASS

**AGRONOMY**

<table>
<thead>
<tr>
