ARC-County Payments in 2016 - 2017 - Final on October 3, 2017**

** ARC-County Payments for 2016 are based on WASDE's monthly average national average price and NASS county average yields when available.

When NASS county yields are not available, regional "other counties" yields are used.

These estimated payments have potential large errors & the Farm Service Agency will determine all final & official numbers that determine ARC-CO payments.
