- **Time Period:** 7/1/2007 - 6/30/2008
- **Agency:** MO Dept of Public Safety
- **Amount:** $9,786.81
- **Type:** Renewal
- **Description:** Extension's Fire and Rescue Training Institute will conduct courses on hazardous materials to fire and rescue organizations within the State of Missouri.

### 4th Annual Women's Health Update
- **Title:** 4th Annual Women's Health Update
- **Project Manager:** Shirley J Farrah
- **Time Period:** 5/1/2008 - 9/30/2008
- **Agency:** Dept of Health and Human Svc
- **Amount:** $4,000.00
- **Type:** New
- **Description:** University of Missouri's Nursing Outreach and Distance Education program, will convene the 4th annual women's Health Update for Advanced Practice Nurses: Chronic Disease management conference.

### Global Leadership Education for the 21st Century
- **Title:** Global Leadership Education for the 21st Century
- **Project Manager:** Sandra S Hodge
- **Time Period:** 9/1/2008 - 7/31/2010
- **Agency:** Dept of State
- **Amount:** $267,969
- **Type:** New
- **Description:** The proposed project will carry out an international exchange of emerging young professionals between Missouri and Thailand. The theme of the learning activities will be volunteerism and community service.
**Title:** Regional Forestry and Business Development Specialist  
**Project Manager:** David E Baker  
**Time Period:** 5/1/2008 - 4/30/2011  
**Agency:** MO Dept of Cons  
**Amount:** $90,000.00  
**Type:** New  
**Description:** The University of Missouri and the Missouri Department of Conservation will fund a Regional Forestry and Business Development Specialist position. The specialist will help interested landowners incorporate forest, wildlife and fish conservation considerations as they manage their land. To be effective, the specialist will have an understanding of how value markets play in motivating landowners to practice good forest management.

**Title:** Adopt-a-School (Amendment)  
**Project Manager:** Albert T Black  
**Time Period:** 2/1/2008 - 3/31/2011  
**Agency:** KC MO SCHOOL DIST  
**Amount:** $858,420.06  
**Type:** Renewal  
**Description:** This project is devoted to the development of structural partnerships, identifying potential partnerships and evaluating steps necessary to establish the Adopt-A-School program within the Kansas City School District. The Adopt-A-School program forms working partnerships between schools, faith-based, community, business, labor and other organizations to serve area youth through volunteers, school and community-based programs, service projects and fundraising.

**Title:** University of Missouri Extension Pollution Prevention Program  
**Project Manager:** Richard Stephen Wyatt  
**Time Period:** 10/1/2008 - 9/30/2010  
**Agency:** Env Protection Agency  
**Amount:** $163,413.76  
**Type:** New  
**Description:** In 2009-2010, MU's Environmental Assistance Project will expand its outreach efforts through various media, provide training to businesses impacted by the new air quality regulations, and partner with Missouri Enterprise to conduct on-site Lean and Green environmental assessments for the Green Supply Network.

**Title:** WIA / Adult (CFDA-17.258)  
**Project Manager:** Max E Summers  
**Time Period:** 9/1/2006 - 8/31/2007  
**Agency:** STL AGENCY ON TRAINING AND EMPLOYMENT  
**Amount:** $32,873  
**Type:** Renewal  
**Description:** The Small Business Development Center on behalf of the City of St. Louis and St. Louis County Workforce Boards will work with 10-15 low-income and/or dislocated workers to provide training and support to start small businesses.
**Title:** Herbicide Interflow and Remediation in ClayPan Watershed  
**Project Manager:** Robert R Broz  
**Time Period:** 10/1/2008 - 9/30/2011  
**Agency:** Dept of Ag  
**Amount:** $73,678.62  
**Type:** New  
**Description:** Atrazine is the most commonly used herbicide in the United States, occasionally occurring at concentrations that may be harmful to humans and aquatic ecosystems in streams throughout the Midwest. In recent years, considerable focus has been made on identifying the contributing factors to a watershed’s vulnerability to herbicide transport. This is a combined research and outreach project (a collaborative effort with CAFNR). The extension objective of this proposal will be to increase the awareness and knowledge of the local watershed producers in selecting herbicide options and treatment programs based on effective weed control and water quality protection.

**Title:** Survey of Private Wells in Underserved Communities of Missouri  
**Project Manager:** Robert R Broz  
**Time Period:** 10/1/2008 - 9/30/2011  
**Agency:** LINCOLN UNIV  
**Amount:** $83,206.83  
**Type:** New  
**Description:** The University of Missouri will collaborate with Lincoln University to offer a water quality testing program to underserved and low-income families on private wells.

**Title:** Heartland Regional Water Quality Coordination Management  
**Project Manager:** Robert R Broz  
**Time Period:** 9/15/2008 - 9/14/2012  
**Agency:** IA St Univ  
**Amount:** $359,748.75  
**Type:** New  
**Description:** In cooperation with Iowa, Nebraska and Kansas, Missouri will address water quality issues in the country's heartland. Kansas State and the University of Missouri will specifically address topics on Watershed Management: bringing together experts, educators, and agency personnel in roundtable conferences and one major conference. A website directed toward the subject will also be developed.

**Title:** Full Service Community Schools: Scott County  
**Project Manager:** Janet Lee Kline  
**Time Period:** 9/1/2008 - 8/31/2013  
**Agency:** US Dept of Educ  
**Amount:** $46,000.01  
**Type:** New  
**Description:** The University of Missouri Extension will provide and expand nutrition services and parent involvement and literacy activities to the community of Scott County Central School District.
**Title:** Improving Management of Soybean Cyst Nematode  
**Project Manager:** Laura Elizabeth Sweets  
**Time Period:** 3/1/2008 - 2/28/2009  
**Agency:** Univ of NE Lincoln  
**Amount:** $15,000.00  
**Type:** Renewal  
**Description:** Missouri is cooperating on a multi-state project to improve soybean cyst nematode management in the North Central United States.

**Title:** FY09 OCA Quality Arts and Education Series  
**Project Manager:** Michael Wayne Dunn  
**Time Period:** 10/14/2008 - 5/9/2009  
**Agency:** City of Col MO  
**Amount:** $10,000.00  
**Type:** New  
**Description:** The mission of the University Concert Series is to present artists and artistic performances of the highest caliber in order to educate the Columbia Missouri community about diverse art forms and cultures through live performances, community residencies and public involvement. This year's line-up includes, among others, performances from singer Trisha Yearwood and violinist Chloe Hanslip.

**Title:** Ozark Natural Communities Conference  
**Project Manager:** Joy L Millard  
**Time Period:** 9/20/2007 - 6/30/2008  
**Agency:** GEOLOGICAL SURVEY  
**Amount:** $8,699.83  
**Type:** New  
**Description:** MU's Conference Office will provide overall program management for a three-day conference that will bring federal, state and nonprofit agencies together to discuss natural resources and wildlife goals in the Ozark region.

**Title:** SEMA-08-TRAINING  
**Project Manager:** David Hedrick  
**Time Period:** 3/1/2008 - 2/28/2009  
**Agency:** St Emergency Mgmt Agency  
**Amount:** $100,000.00  
**Type:** Renewal  
**Description:** The University of Missouri Fire and Rescue Training Institute will conduct courses for state and local personnel involved with the Integrated Emergency Management System and emergency response.
