Title: MO SBDC FY15  
Project Manager: Steve Devlin  
Time Period: 10/1/2014 – 9/30/2015  
Agency: U.S. Small Business Administration  
Amount: $1,879,442  
Type: Renewal  
Description: The Missouri Small Business Development Centers provide high-quality service to the pre-venture and existing small businesses of the state through individual counseling, organized training, and development of effective products and processes.

Title: Healthy Homes Partnership – National Leadership  
Project Manager: Michael Goldschmidt  
Time Period: 1/1/2015 – 12/31/2015  
Agency: US Department of Agriculture  
Amount: $224,033  
Type: New  
Description: As a Healthy Homes (HH) partner for over ten years, University of Missouri (MU) Extension has taught 4,600 homeowners, renters, and childcare providers about HH principles, certified eight HH Specialists, and contributed to national HH publications and eXtension resources. MU Extension now proposes to lead the Healthy Homes Partnership and support the partnership’s goals by conducting a project that will reduce housing deficiencies in the United States and ultimately reduce the risks housing poses to health.

Title: Fast Trac NewVenture Program  
Project Manager: Steve Devlin  
Time Period: 7/1/2014 - 6/30/2015  
Agency: Mo Dept of Economic Development  
Amount: $157,744  
Type: Renewal  
Description: University of Missouri Extension will offer the FastTrac NewVenture Program to dislocated workers at no charge. By attending a workshop, dislocated workers will develop helpful relationships, discover whether life as an entrepreneur is right for them and lay the groundwork for their future business ventures.

Title: Midwest Regional Transportation Workforce Center - Mo  
Project Manager: Steve Devlin  
Time Period: 10/1/2014 – 9/30/2018  
Agency: University of Wisconsin - Madison  
Amount: $110,000  
Type: New  
Description: The MU Workforce Program will develop a comprehensive list of stakeholder organizations for the states of Missouri, Kansas and Ohio and help to organize the Region Working. MU will also assist in the development of the Jobs Needs and Priorities Report, particularly for information focused on Missouri, to identify the types of transportation jobs available, the skills training and worker development needed to meet workforce needs and how the state’s stakeholders can work with the Center to address the workforce needs in this industry.
**Title:** Targeting High Obesity Areas

**Project Manager:** Jo Britt-Rankin

**Time Period:** 1/1/2015 – 12/31/2017

**Agency:** Penn State University

**Amount:** $98,193

**Type:** New

**Description:** Obesity continues to be a major public health problem in the United States. Penn State University will take the lead in a nationwide project designed to promote healthy eating and active living in those areas of the country affected - including Bollinger County, MO, with an adult obesity rate of over 40%. HES Extension will assist Penn State by offering Better Kid Care trainings, a professional development program, to early care and education and youth development professionals in the county. The program is designed to improve the quality of their care and educational practices.

**Title:** SEMA Annual Training Contract

**Project Manager:** David Hedrick

**Time Period:** 6/1/2014 – 12/31/2014

**Agency:** State Emergency Management Agency

**Amount:** $60,000

**Type:** Renewal

**Description:** MU’s Fire and Rescue Training Institute will conduct emergency management courses to emergency personnel across Missouri.

**Title:** Take Control of Finances

**Project Manager:** Steve Devlin

**Time Period:** 7/1/2014 – 6/30/2015

**Agency:** Mo Department of Natural Resources

**Amount:** $57,255

**Type:** Renew

**Description:** According to the United States Department of Labor the nation’s unemployment rate is currently at 8.2%. Even though Missouri is slightly below this figure the only source of income for many laid-off individuals is their monthly Unemployment Insurance benefits; Missouri Career Centers are seeing more and more clients with financial problems and some on the verge of losing property, filing for bankruptcy, or even becoming homeless. MU Extension Family Financial Education faculty will provide “Take Control of Your Finances” workshops and counseling to individuals across the state.

**Title:** Actions to Prevent Chronic Disease

**Project Manager:** Donna Mehrle

**Time Period:** 7/1/2014 – 6/30/2015

**Agency:** Mo Dept of Health and Sr. Services

**Amount:** $50,900

**Type:** Renew

**Description:** The purpose of the Actions to Prevent Chronic Disease contract is to assist the Department of Health and Senior Services, Bureau of Community Health and Wellness (hereinafter referred to as Department or state agency) with building the capacity to carry out activities related to implementing evidence-based policy and environmental changes to prevent obesity, specifically changes related to implementation of food service guidelines in community settings, including state and local parks, and supporting adoption and implementation of Livable Streets/Complete Streets policies.
