Cherries, Apples,
Pears**

**Varieties, pest
management, organic
production**

Fruit Tree Production

**Dr. Elizabeth Wahle,
Ph.D.**

**Horticulture Extension
Educator, University of
Illinois Extension**

Take Hwy 67 to the Park Hills/Leadington exit and turn east into Mineral Area College. Take Dixie Kohn Dr. past student housing on left and enter student parking lot on left and continue through to staff parking lot. MAC is on Summer Break during this workshop so you can park in the Staff Lot 1. Enter the build at the technology Entrance at bottom of the hill, go straight down the hall to the Atrium, turn left and go down the hallway to the last door on your right.
