No matter what career you are in, you will face disputes in your workplace. This is especially true when it comes to disciplining an employee. The St. Louis County Extension office is pleased to have Mark Suardi, attorney with Erbs and Erbs, P.C., as the speaker for our next Labor Law Breakfast. Mr. Suardi will address collective bargaining agreements. In labor and management, disputes happen during the grievance and arbitration process. He will share successful discipline steps to take to correct problems with employees, as well as more severe discipline techniques to use when the employee is still facing problems. Mark will also address other options to explore before termination becomes the only viable option.

Breakfast is at 8:00 a.m. The program starts at 8:30 a.m.
