Join Warren Cork, USDA Soil Health Specialist, as well as State and Regional MU Extension Specialists for a day of learning and exploration into one of our planet’s most valuable natural resources.

The USDA’s Soil Health Trailer will be onsite, full of demonstrations of soil health and soil management practices.

Topics to be covered:

- Soils of Missouri
- Soils 101
- Soil Health and Life in the Soil
- Cover Crops for Vegetable Gardens
- Demonstrations in the Soil Health Trailer

Gardeners, growers, conservationists, educators and students are invited to learn from this informative workshop.

Register at: extension.missouri.edu/stlouis/classes.aspx
