Medical marijuana will soon be legal in Missouri. There are many unanswered questions about how this new law will affect workers and employers in Missouri. At our Labor Law Breakfast on February 13, William Suggs with Schuchat, Cook & Werner, will address how this new law will influence employment in Missouri. There will be an interactive discussion on how medical marijuana laws have been implemented in other states, how those laws effected workers, what changes will take place for workers in Missouri, and more.

Breakfast is at 8:00 a.m. The program starts at 8:30 a.m.
