

## Nancy McClain Bio

Nancy McClain is a resident of St. Louis County where she works full time as an office manager and is a full-time student at Saint Louis University where she will graduate this year (2019). She is very active in volunteering throughout St. Louis. Currently she is a Board member of the West End Clinic which helps with the growing drug problem in Missouri, and she volunteers with the #1 Fan Volunteer Agency (in which is also the CFO) which provides volunteer assistance for various events in Missouri. In the past, she was on the Parks Commission and Vice-President of St. Louis County Citizen (Central County) Police Academy Alumni Association.

Nancy is an alumni of the Neighborhood Leadership Academy, which led her to start attending the University of Missouri Council Extension meetings. Nancy truly enjoys volunteering and being able to give back to the community and utilize the skills that she has been taught.
