If you are a woman considering divorce, or in the early stages of the divorce process:

- Learn about legal, financial and emotional support resources available during and after the divorce process.
- Learn what to expect during a divorce and how to prepare for this challenge with greater confidence and understanding.
- Discover the different ways to get divorced.

Information will empower you to make sound decisions for yourself as you consider your next steps. Presentations by local professionals and MU Extension faculty will give you the information you need to navigate the divorce process with confidence. Topics include:

- Types of divorce
- Missouri divorce process
- How to select the lawyer for you
- What to expect from your lawyer
- Custody and visitation
- Child support
- Money issues
- Spousal support
- Property and debt division
- Separation agreements
- Helping children cope with divorce
- Dealing with the emotional loss in divorce
- Maintaining and restoring self-esteem
