Large shelf talker signs: For best results, print these cards on heavyweight paper, such as card stock. Cut out each card along the dashed black lines, and fold along dashed gray line. Score them to make them easier to fold, and laminate them so they will last longer. Scoring and lamination can be done at most copy centers.

How to select and store avocados

- Look for shiny skin. Ripe, ready-to-eat avocados will yield to slight pressure when gently squeezed. Handle carefully to avoid bruising.
- Avocados continue to ripen at room temperature. Once ripe, refrigerate to keep a few more days.
