Large shelf talker signs: For best results, print these cards on heavyweight paper, such as card stock. Cut out each card along the dashed black lines, and fold along dashed gray line. Score them to make them easier to fold, and laminate them so they will last longer. Scoring and lamination can be done at most copy centers.

How to select and store... bananas

- Fully ripe bananas are yellow with a few brown spots. Avoid bruised or soft, mushy bananas. Handle carefully to avoid bruising.
- Bananas with some green will ripen in 1–2 days at room temperature. Refrigerating will slow ripening and darken peel.
- Freeze peeled bananas for smoothies and baking.
