Large shelf talker signs: For best results, print these cards on heavyweight paper, such as card stock. Cut out each card along the dashed black lines, and fold along dashed gray line. Score them to make them easier to fold, and laminate them so they will last longer. Scoring and lamination can be done at most copy centers.

How to select and store...

berries

- Buy brightly colored berries that show no signs of mold or juice stains on box.
- Soft berries such as raspberries, blackberries and strawberries keep best if spread in a single layer on a plate or pan in the refrigerator. Wash just before using.
