Shelf talker instructions:
For best results, print these shelf talkers on heavyweight paper, such as card stock. Cut out each card along the dashed black lines, and fold along dashed gray line. Score them to make them easier to fold, and laminate them so they will last longer. Scoring and lamination can be done at most copy centers.

Make the healthier choice...
Dried or canned beans
High in protein and fiber, low in fat and sodium

For dried and canned beans such as pinto and kidney – not for green beans
