

Stoddard County residents have the opportunity to vote for members of the Stoddard County University of Missouri Extension Council during the month of January 2019.

The following is information about each of our candidates:

KEITH BAKER joined the Marine Corp out of High School and served in the First Gulf War. Keith then worked at Noranda until it closed. Keith was raised on a farm in Dudley, Missouri. Keith is married to Lora Baker. They have four kids – two at home and two are raised.

JACKIE HARMON graduated from Puxico High School in 1999. Jackie graduated from Missouri Valley College in Marshall, Missouri, with a double major in Accounting and Business Administration-Finance. Jackie is employed as a Senior Financial Analyst at Associated Electric's New Madrid Power Plant. Jackie currently lives on a farm in Puxico, Missouri, with her husband, Bobby, and daughter, Miley. They raise cattle and row crop corn and soybeans. Their daughter participates in Puxico Warriors 4-H and shows hogs.

LOGAN LOWERY and family farms row crops east of Puxico. Logan, his wife, and sister also run a produce and greenhouse operation in season. Logan's full time job is working for the Gibbs Brothers in Bloomfield, where he sells seeds and develops soil health programs with farmers.

JENNIFER MURPHY lives in Bernie on her family's row crop farm. Jennifer currently works at Bayer Crop Science as a Quality, Compliance, Continuous Improvement Manager.

University of Missouri Extension provides equal opportunity to all participants in extension programs and activities, and for all employees and applicants for employment on the basis of their demonstrated ability and competence without discrimination on the basis of race, color, national origin, ancestry, religion, sex, sexual orientation, gender identity, gender expression, age, genetic information, disability, or protected veteran status.
