4-H Building Exhibit Guidelines

Wednesday, July 8, 2015
Exhibit Registration 4 to 6 PM – No Entries Accepted After 6 PM
Conference Judging Begins at 4:30 – Entries Judged in Order of Arrival
State Fair Selection Immediately Following Conference Judging

4-H Building Showcase

Missouri 4-H Youth Programs are under the direction of University of Missouri Extension, University of Missouri and Lincoln University.

“Learning by Doing” is the basis of 4-H work, and each year thousands of young Missourians between the ages of 8 and 19 do just that.

Besides developing practical skills and knowledge, 4-H’ers are developing “life skills.” Under the leadership of more than 9,000 adult volunteers, 4-H members learn to make sound decisions, work cooperatively in groups and develop a sense of self-worth and accomplishment. 4-H also fosters leadership, as older youth share their talents with younger 4-H’ers.

We salute all Missouri 4-H members, volunteers and families.
Showcase Guidelines

1. Items made by 4-H members should reflect the skills they have learned in their 4-H project, the needs and interests of the 4-H'er, and quality workmanship. Use the 4-H project literature and the "Clover" for ideas and criteria.

2. Items displayed must:
   - Be made in the current year
   - Be the work of the 4-H members
   - 4-H member must be enrolled in the project

3. Items must receive a blue-ribbon at the Sullivan County Fair to be chosen as a Missouri State Fair exhibit. **Items are not re-judged at the State Fair, MSF exhibits receive a blue ribbon and a premium.**

4. Items are displayed at the risk of the individual 4-H member. The 4-H faculty, staff and Extension Centers are not responsible for loss or damage to items.

5. For all projects the 4-H member may display **“any item made”** in that project. This includes notebooks, file cards, photo displays, posters, or educational displays. Regardless of project, the following dimensions must be used. Items which do not comply with size or other specifications will not be displayed or receive a premium or ribbon. **Some projects have specific requirements, please read below!**

   **Poster** - No larger than 14” x 22”; flat only; do not fasten three-dimensional items to the poster.

   **Photo Display** - see guidelines for Photography project (below)

   **Educational Display** - Must not exceed 18 inches in height, 16 inches in depth (front to back) and 12 inches in width. Must include three-dimensional items and stand-alone.  **(Posters with items taped to them do not qualify as an educational display. Science fair display boards are too large.)**

   **Electrical Items** – should be made in accordance with the National Electrical code. Consult power suppliers or electricians for code requirements. Battery operated items are also eligible items. See guidelines for Electricity project below.

   **Working Models** – These exhibits should show how things actually work (cutaway-sections of motors or computers) or can be used to help people identify parts such as parts of a motor or computer. Many times these exhibits are considered “hands-on” and can be handled by visitors. Working models should require floor space no larger than 14” X 22”.

**Individual Project Guidelines:**

**Breads** - samples will be called for locally; however, samples are not needed for MSF exhibits. Bread products should be displayed in mini versions (portions of 1/3 to 1/4 of a larger total product.) Please send items on disposable plates only, unless it is a gift package. Please do not use expensive or keepsake containers.

**Clothing and Textiles** - Be sure to double tag all clothing items.

**Decorated Cakes** - The use of forms or pans is recommended. **Cakes should not exceed 13” in height or at the base.** Cake boards should not exceed 1” margin on each side of cake pan or form. **Must only use Royal Icing, Rolled Fondant or commercial product (i.e. Dapp) that will harden and preserve the decorated cake.** (No real cakes, Butter crème icing or tube/gel icing - displays containing these items will be considered ineligible and will be rejected.)

**Entomology** - Box must be exactly 18” long x 24” wide and 3 1/2” deep to fit in display racks. The insects should be named, labeled, and mounted so the boxes can be displayed horizontally. Securely fasten display cover with tape or screws. No handles or knobs. If a member’s entomology collection is displayed in more than one box, the member may send only one box for display.

**Electricity** - exhibits using batteries such as circuit boards should not have the wires connected to the battery; rather the wires should be taped behind the battery. Another option is to not attach battery but indicate “battery goes here.”
Food & Nutrition – exhibits must adhere to these guidelines:
1. Food must be of reasonable quality to keep more than a week. Do not send food items that will spoil quickly such as casseroles, pizza, cream pies; items made with cream cheese, etc.
2. Submit food items on paper or disposable plates. Plastic wrap will be removed so drying of the food will extend display life of the product. Please do not use expensive or keepsake containers.
3. Samples are needed for local judging.
4. Biscuits, cookies, muffins and other small items should be four per plate. Cakes should be displayed in mini-versions (portions of 1/3 to ¼ of a larger total product.)

Gardening - The number in parentheses is the number of items to be displayed. The 4-H’er must have grown the vegetables. The following guidelines should be followed:
1. Vegetables must be of reasonable quality to keep more than a week.
2. Use disposable containers (paper plates or boxes) to display items.

Other vegetables (1 for larger produce, 4 for smaller produce)

Geology – box must be exactly 18” long x 24” wide and 3 ½” deep to fit in display racks at MSF. Plexiglas or plastic covers are preferred. No handles or knobs. Specimens should be labeled and mounted so the boxes can be displayed. Rocks need to be attached in the box securely. If a member’s collection is displayed in more than one box, the member may send only one box to the MSF. Boxes will be displayed upright in racks at MSF.

Horticulture- Live plants or cut specimens must be displayed in a container no larger than 8” in diameter. 4-H member must have grown the flowers used.

Photography – The following guidelines are requirements for 4-H photography exhibits:
1. Photos must be mounted on an 8” x 10” solid mounting surface.
   - “Solid” requires that there are no cutouts or other holes in the mat board, either around or behind the photo.
2. The mounting surface should be mat board.
   - “Mat board” is a specific material. It is not cardboard, foam core, poster board, etc. It may be easily purchased from online retailers such as Sears, Golden State Art, Redimat, or others if local craft stores are not available.
3. Photographs must be 8” X 10” or smaller, with no more than four photos per mat board.
   - Mount photos on the smoothest side of the mat board, using an adhesive designed for permanent mounting of photographs.
   - Single window mats, made of mat board and sized 8 X 10, are acceptable but not required.

Digital Considerations:
1. Altering (editing to change the contents of a photo) is not permitted for State Fair exhibits.
   a. Examples include adding a sunset or object, removing someone from the shot, airbrushing to cover a bad complexion, etc.
2. Enhancing (editing to enhance the existing qualities of a photo) is permitted.
   a. Examples include cropping, dodging, burning, brightness/contrast adjustments and red eye reduction.

Exhibit guidelines are available online at [http://4h.missouri.edu/go/events/statefair/photoguidelines.pdf](http://4h.missouri.edu/go/events/statefair/photoguidelines.pdf).

*Photo exhibits should arrive in a bag that fits the photo, to protect it from dust, humidity, and handling. The bag should not be oversized and folded, as this makes it difficult to display on the rack. Photo bags may be ordered in bulk after May 1, from Missouri Extension Publications at [http://extension.missouri.edu/explore/shop/](http://extension.missouri.edu/explore/shop/). Select 4-H members, project literature, then photography.

Scrapbooking exhibits should be only 1 page representative of the complete scrapbook.
1. Size not to exceed 12” x 12”.
2. All pages should be in clear protective sleeve or clear zipper bag. Do not frame.
Shooting Sports exhibits should contain no live ammunition and arrow points should be removed.

6. No early removal or checkout of items is permitted.

7. If an exhibit which receives a “State Fair” award is too large to be mailed or delivered to the Missouri State Fair, a photo of that item may be sent instead. One photo, no larger than 5x7, not mounted on anything, may be submitted instead of the actual project.

8. Building Exhibits will be released on Saturday July 12th from 12:00 PM to 3:00 PM

LIVESTOCK RULES AND REGULATIONS

1. ENTRY RULES: The Sullivan County Fair is open to the following exhibitors: Horse, Dog, Goats, Sheep, Poultry, Rabbit, Swine, Bucket Calves (4-H ages 8 to 12) and Beef entries by:
   - All eligible youth enrolled in 4-H work in the State of Missouri. (No Clover Kids may exhibit.)
   - All eligible members of an active FFA Chapter in the State of Missouri.
   - All 4-H and FFA Entries show in the same class.
   - Youth 7 and under are eligible to exhibit in each species Pee Wee class.

2. Missouri Department of Agriculture Health Regulations will be followed. Please review complete Animal Health Regulations found on the following pages of the Fair Book. REQUIRED CERTIFICATES OF VETERINARY INSPECTION MUST BE CHECKED BY FAIR STAFF PRIOR TO UNLOADING OF ANY ANIMALS.

3. Exhibitors must have registration papers to be eligible for any purebred breeding or market animal classes. A breeder’s certificate, performance pedigree or registration paper is required to be eligible for steer (breed) classes. These papers will accompany the animals at check-in time at the fair.

4. Exhibitors may enter a maximum of 4 entries per class for all species.

5. All FFA and 4-H exhibitors must be members in good standing in their respective state and county organizations. All animals exhibited must be part of their supervised farming or project program. All records or reports required by their respective organizations must be kept.

6. Animals are to arrive and unload at their assigned time. All animals will be stalled as they arrive, and will be released following their respective shows at the discretion of the department chairperson per rule #7.

7. Exhibitors are to furnish their own bedding, and clean barn and stall area before leaving. Chairperson or fair officials’ approval must be obtained before animals and exhibitors are released. Exhibitors who fail to comply will forfeit premiums.

8. Livestock unloaded but not shown because they are unmanageable or a hazard to other participants will be dismissed from the show. Sullivan County livestock will not be sold at the livestock sale if dismissed from show. Dismissal is at the discretion of the livestock chair.

9. No trophies, plaques, or other prizes are to be awarded to a non-blue ribbon project.

10. All livestock is to be exhibited by the 4-H or FFA member. If a 4-H/FFA member will be absent from the fair, they must receive prior approval from the species chairman or Fair Board to have another 4-H/FFA member exhibit for them. If an exhibitor has two animals showing in the same class, another 4-H or FFA member may help show the second animal. No outside help while showing unless the animal is unruly, then assistance may be permitted or the animal dismissed.

11. Market animals may not also be shown in breeding classes. For example, if showing a market gilt, the gilt may not also be shown in a breeding gilt class. Each animal may only be entered in one class.

12. Pre-registration with entry fee is to be POSTMARKED on or before July 1st. Late entry fees (including the day of the show) will be charged an additional $1. Registration forms are available at: http://extension.missouri.edu/sullivan.

13. Any situation not covered in these rules will be handled according to the rules of the Missouri State Fair. However, the Sullivan County Fair reserves the right to interpret all rules and regulations and their decisions will be final.

14. Abuse to Animals: Should any physical abuse be observed toward an animal, either in the barns or in the showring by the exhibitor or agents, the livestock chairperson has the authority to eliminate exhibitor and animal from the show.

15. 4-H Members will be asked to show their Quality Assurance Card and are required by 4-H rules and regulations to be certified in the Livestock Quality Assurance Program. (Does not apply to FFA exhibitors.)

16. Sullivan County 4-H & FFA Members exhibiting market livestock will be eligible to sell in the Youth Livestock Sale held in September. Eligible Animals must be shown in one of the following classes: Class 650 Market Goats, Class 340 – 342 Market Lamb, Class 451G Rabbit Meat Pen of 3, Class 452E Turkey Meat Pen of 4, Class 453F Chicken Meat Pen of 4, Class 80 – 88 Market Hog, Class 271 – 282 and 290 Market Steer and Heifer.

17. Intact male animals are not eligible to sell, all male animals must be castrated.

18. Only Blue Ribbon Animals are eligible for the Youth Livestock Sale.

19. If an exhibitor’s animal dies prior to the Youth Livestock Sale, it is no longer eligible for the sale.

20. All Large Animals (Goat, Sheep, Swine, Beef) will sell by the pound, and small animals (Rabbit and Poultry) will sell by the pen in the Youth Livestock Sale.

21. Beginning in 2016, if an exhibitor does not show a market animal, they may sell a breeding female of any species as a “Female Sponsorship” for a maximum of 2 years during their showing career.
ANIMAL HEALTH REQUIREMENTS FOR EXHIBITION

The following is a SUMMARY, and not a reprint of 2 CSR 30-2.040 Animal Health Requirements for exhibition regulations. Contact the Missouri State Veterinarian’s office at (573) 751-4359 for clarification on the following.

   A. All animals must have a Certificate of Veterinary Inspection unless specifically exempted. The Certificate of Veterinary Inspection shall state that the animals are free of visible signs of contagious, infectious, or communicable disease, describe the animal(s) by species, breed, sex and age. The Certificate of Veterinary Inspection shall reflect all data for required test and vaccinations, all dates, results and the name of the laboratory.
   B. The Certificate of Veterinary Inspection is valid for thirty (30) days.
   C. Animals with active lesions of ringworm or warts will not be permitted to exhibit and shall be subject to isolation and expulsion.
   D. Sales scheduled in association with exhibitions must employ a veterinarian to examine animals and process Certificate of Veterinary Inspection for change of ownership. The following are requirements for animals EXHIBITED in Missouri. Animal sold in addition to being exhibited must meet the entry requirements of Missouri.

2. EXHIBITION REQUIREMENTS FOR CATTLE IN MISSOURI.
   A. Intrastate (cattle in Missouri moving for exhibition only).
     1. No Certificate of Veterinary Inspection required.
     2. Brucellosis – no test or vaccination is required.
     3. Tuberculosis – no test is required.
   B. Interstate (cattle from another state entering Missouri for exhibition only).
     1. A Certificate of Veterinary Inspection is required with official individual identification for each animal listed.
     2. Brucellosis –
        A. Cattle from Brucellosis-Free States.
           1. A Certificate of Veterinary Inspection is required. All swine must be free of clinical signs of infectious or contagious disease.
        B. All other swine must be tested negative within sixty (60) days prior to exhibition except breeding swine from a pseudorabies-free herd. The qualified herd number and date of last qualifying test must be listed on the Certificate of Veterinary Inspection.
     3. Tuberculosis – no test required

3. EXHIBITION REQUIREMENTS FOR SWINE
   A. Intrastate (swine in Missouri moving for exhibition only).
     1. All swine must be free of clinical signs of infectious or contagious disease.
     2. No Certificate of Veterinary Inspection is required
     3. Brucellosis – no test required
     4. Pseudorabies – no test required
   B. Interstate (swine from another state entering Missouri for exhibition only).
     1. A Certificate of Veterinary Inspection is required. All swine must be identified by ear tag, ear notch, tattoo and individually listed on the Certificate of Veterinary Inspection.
     2. Brucellosis –
        A. Breeding swine originating from brucellosis-free states may exhibit without a brucellosis test.
        B. Breeding swine originating from a state having a brucellosis status less than free states must be tested negative within sixty (60) days prior to exhibition except breeding swine from a validated brucellosis-free herd. The valided herd number and date of last valid testing must be listed on the Certificate of Veterinary Inspection.
     3. Pseudorabies
        A. Swine originating from a state classified as Stage V the National Pseudorabies (PRV) Eradication Plan may exhibit without a pseudorabies test.
        B. All other swine must be tested negative within sixty (60) days prior to exhibition except swine from a qualified pseudorabies-free herd. The qualified herd number and date of last qualifying test must be listed on the Certificate of Veterinary Inspection.
     4. No test required

4. EXHIBITION REQUIREMENTS FOR SHEEP.
   A. Intrastate (sheep in Missouri moving for exhibition only).
     1. Sheep must be free of clinical signs of an infectious or contagious disease.
     2. All sheep, regardless of age or gender, must be individually identified by and official scrapie ear tag and be listed on a Certificate of Veterinary Inspection.
     3. No test required
   B. Interstate (sheep from another state entering Missouri for exhibition only).
     1. Sheep must be free of clinical signs of an infectious or contagious disease.
     2. All sheep, regardless of age or gender, must be individually identified by and official scrapie ear tag and be listed on a Certificate of Veterinary Inspection.
     3. No test required

5. EXHIBITION REQUIREMENTS FOR GOATS.
   A. Intrastate (goats in Missouri moving for exhibition only).
     1. Goats must be free of clinical signs of an infectious or contagious disease.
     2. All goats, regardless of age or gender, must be individually identified by an official scrapie ear tag or any other means of permanent identification approved by the state veterinarian and be listed on Certificate of Veterinary Inspection.
     3. No test required
   B. Interstate (goats from another state entering Missouri for exhibition only).
     1. Goats must be free of clinical signs of an infectious or contagious disease.
     2. All goats, regardless of age or gender, must be individually identified by an official scrapie ear tag or any other means of permanent identification approved by the state veterinarian and be listed on Certificate of Veterinary Inspection.
     3. No test required

     1. No Certificate of Veterinary Inspection required.
     2. Brucellosis – no test or vaccination is required.
     3. Tuberculosis – no test is required.
   B. Interstate (cattle from another state entering Missouri for exhibition only).
     1. A Certificate of Veterinary Inspection is required with official individual identification for each animal listed.
     2. Brucellosis –
        A. Cattle from Brucellosis-Free States.
           1. A Certificate of Veterinary Inspection is required. All swine must be free of clinical signs of infectious or contagious disease.
        B. All other swine must be tested negative within sixty (60) days prior to exhibition except breeding swine from a pseudorabies-free herd. The qualified herd number and date of last qualifying test must be listed on the Certificate of Veterinary Inspection.
     3. Tuberculosis – no test required

3. EXHIBITION REQUIREMENTS FOR SWINE
   A. Intrastate (swine in Missouri moving for exhibition only).
     1. All swine must be free of clinical signs of infectious or contagious disease.
     2. No Certificate of Veterinary Inspection is required
     3. Brucellosis – no test required
     4. Pseudorabies – no test required
   B. Interstate (swine from another state entering Missouri for exhibition only).
     1. A Certificate of Veterinary Inspection is required. All swine must be identified by ear tag, ear notch, tattoo and individually listed on the Certificate of Veterinary Inspection.
     2. Brucellosis –
        A. Breeding swine originating from brucellosis-free states may exhibit without a brucellosis test.
        B. Breeding swine originating from a state having a brucellosis status less than free states must be tested negative within sixty (60) days prior to exhibition except breeding swine from a validated brucellosis-free herd. The validated herd number and date of last valid testing must be listed on the Certificate of Veterinary Inspection.
     3. Pseudorabies
        A. Swine originating from a state classified as Stage V the National Pseudorabies (PRV) Eradication Plan may exhibit without a pseudorabies test.
        B. All other swine must be tested negative within sixty (60) days prior to exhibition except swine from a qualified pseudorabies-free herd. The qualified herd number and date of last qualifying test must be listed on the Certificate of Veterinary Inspection.
     4. No test required

4. EXHIBITION REQUIREMENTS FOR SHEEP.
   A. Intrastate (sheep in Missouri moving for exhibition only).
     1. Sheep must be free of clinical signs of an infectious or contagious disease.
     2. All sheep, regardless of age or gender, must be individually identified by and official scrapie ear tag and be listed on a Certificate of Veterinary Inspection.
     3. No test required
   B. Interstate (sheep from another state entering Missouri for exhibition only).
     1. Sheep must be free of clinical signs of an infectious or contagious disease.
     2. All sheep, regardless of age or gender, must be individually identified by and official scrapie ear tag and be listed on a Certificate of Veterinary Inspection.
     3. No test required

5. EXHIBITION REQUIREMENTS FOR GOATS.
   A. Intrastate (goats in Missouri moving for exhibition only).
     1. Goats must be free of clinical signs of an infectious or contagious disease.
     2. All goats, regardless of age or gender, must be individually identified by an official scrapie ear tag or any other means of permanent identification approved by the state veterinarian and be listed on Certificate of Veterinary Inspection.
     3. No test required
   B. Interstate (goats from another state entering Missouri for exhibition only).
     1. Goats must be free of clinical signs of an infectious or contagious disease.
     2. All goats, regardless of age or gender, must be individually identified by an official scrapie ear tag or any other means of permanent identification approved by the state veterinarian and be listed on Certificate of Veterinary Inspection.
     3. No test required

11
6. EXHIBITION REQUIREMENTS EQUINE.

A. Intrastate (equine in Missouri moving for exhibition only).

1. Equine that are to be exhibited must be free of clinical signs of an infectious or contagious disease. Any equine showing signs of infectious or contagious diseases at an exhibition may be excused by the official inspecting veterinarian. When an official inspecting veterinarian is present; all equine will be subject to daily inspection.

2. A Certificate of Veterinary Inspection is not required.

3. All equine (except nursing foals accompanied by their dams) must be accompanied by a current VS Form 10-11 or any officially recognized state EIA test chart showing the graphic description of all markings needed for identification, or microchip, or legible tattoo, or unique registered brand. A certified photocopy or certified facsimile of the VS Form 10-11 or any officially recognized state EIA test chart may be accepted for the purpose of exhibition.

B. Interstate (equine from another state entering Missouri for exhibition only).

1. Equine that are to be exhibited must be free of clinical signs of an infectious or contagious disease. Any equine showing signs of infectious or contagious diseases at an exhibition may be excused by the official inspecting veterinarian. When an official inspecting veterinarian is present; all equine will be subject to daily inspection.

2. A Certificate of Veterinary Inspection is required.

3. All equine (except nursing foals accompanied by their dams) must be accompanied by a current VS Form 10-11 or any officially recognized state EIA test chart showing the graphic description of all markings needed for identification, or microchip, or legible tattoo, or unique registered brand. A certified photocopy or certified facsimile of the VS Form 10-11 or any officially recognized state EIA test chart may be accepted for the purpose of exhibition.

4. Alteration or substitution of any information on any VS Form 10-11 including certified photocopy or certified facsimile or any official copy of a Certificate of Veterinary Inspection shall cause the document to be invalid and in violation of sections 267.010 to 267.730, RSMo, and may result in civil penalties not to exceed ten thousand dollars ($10,000) per violation and subject to expulsion.

5. A six (6) - month passport from states with which there is a reciprocal agreement will be accepted in lieu of VS Form 10-11. These passports must have proof of a negative EIA test within thirty (30) days of the date of application of the passport and permanent identification for each horse by means of registered brand, legible tattoo, or microchip to be recorded on the passport and the VS Form 10-11 or any officially recognized state EIA test chart, along with other identifying characteristics. In the event of confirmed vesicular stomatitis in any of the states with which reciprocal agreements exist, use of the six (6) – month passport will be suspended by the state veterinarian of Missouri.

6. Venezuelan Equine Encephalomyelitis (VEE) vaccination and entry permit is required prior to entry on equine originating from states in which VEE has been diagnosed within the preceding twelve (12) months.

7. Any equine originating from a premise under quarantine for Vesicular Stomatitis shall obtain an entry permit and must include the statement on the Certificate of Veterinary Inspection that “the equine listed have not been exposed to Vesicular Stomatitis or located within (10) miles of premises quarantined for Vesicular Stomatitis within the past thirty (30) days”.

4-H & FFA LEAD LINE CLASS RULES

1. The purpose of this class is to present a class of beauty, to acquaint the public with modern sheep production, and to promote the use of wool by demonstrating its beauty, versatility and source.

2. Entries in this class are open to any 4-H or FFA Member.

3. All models must wear wool and/or wool blend outfits.

4. These outfits may be handmade by the entrants or someone else, or purchased.

5. There will be two age groups. The junior division will include 4-H ages 8 years through 13 years old. The senior division will be for 4-H/FFA ages 14 years to 18 years and to age 21 for FFA members. There must be four (4) entries in each division or they may be combined into one group.

6. If the exhibitor does not show sheep at the fair they may team up with someone who is showing sheep at this year’s Sullivan County 4-H and FFA Fair.

7. The person supplying the sheep will be responsible for having the sheep clean and fitted for show. They must also see that the sheep is halter broken.

8. Only yearling ewes, ewe lambs and whether lambs that will be shown at this year’s Sullivan County 4-H and FFA Fair may be used.

9. Entrants will be judged on the appropriateness and attractiveness of their garments, their poise and appearance, and the control and presentation of their animal.

10. The 4-H and FFA Lead Line Class will be held on Thursday, July 12th, at 6:15 P.M. (prior to the breeding sheep show, & following Pee Wee show & Pee Wee Lead Line).

11. Please give your completed entry form(s) to Teresa Dolan, sheep chairperson, during the sheep check-in Thursday evening.

12. If you have any questions, please contact the University Of Missouri Extension Center, Sullivan County Courthouse, Third Floor, 109 North Main, Milan MO 63556, or by calling 660-265-4541.

13. Awards will be given following the completion of the lead line show. The Lead Line Champion will be chosen between the Jr. and Sr. Division winners.

SULLIVAN COUNTY FAIR BOARD PEE WEE SHEEP LEAD LINE
The Sullivan County Fair Board Pee Wee Sheep Lead Line is for ages 7 years and under and will follow the same rules as above for the 4-H & FFA Sheep Lead Line. They will exhibit Thursday, July 10th, following the Pee Wee Sheep Show & prior to the 4-H/FFA Lead Line.
Please use the Following Lead Line Form for All Lead Line Classes.
