

2009 State Fair Farm Families

Over 100 families were honored during the Missouri State Fair's Farm Family Day, in Sedalia on Aug. 17. Each year the State Fair sets aside a day to recognize farm families who are active in their community, involved in agricultural activities and who participate in local outreach and extension educational programs such as 4-H and FFA. The annual event was sponsored by Missouri Farm Bureau, Missouri Department of Agriculture, Missouri State Fair, University of Missouri Extension and the University of Missouri College of Agriculture, Food and Natural Resources.
