The charge will cover the cost of materials. If you already own and can bring with you
the Missouri Private Pesticide Applicator Reference Manual (M87 – Printed 2007 with blue
lettering on the front), there will be a reduction in the cost by $12. Training is conducted
by Tim Schnakenberg, Regional Agronomy Specialist (417-357-6812). If weather is an
issue, please call either the phone numbers provided or 417-838-8405 to confirm if the
program will proceed.

The training provides certification to obtain a Missouri Private Pesticide Applicators
License for agricultural producers and will also count for recertification requirements by
the state. The training will not certify for commercial application licenses. Must be 18
years or older. The training will last 2 1/2 – 3 hours.
