

# PESTICIDE APPLICATOR TRAINING

The training provides certification to obtain a Missouri Private Pesticide Applicators License for agricultural producers and will also count for recertification requirements by the state. The training will not certify for commercial applicator licenses. Must be 18 years or older. The training will last 2 1/2 – 3 hours.

---

The cost of the training is \$25 for all who attend. Unlike in the past, you do not need to bring a copy of the Private Applicator Reference Manual (M87). Training is conducted by Tim Schnakenberg, Agronomy Field Specialist (417-357-6812). If weather is a concern, please call either the phone numbers provided or 417-838-8405 to confirm if the program will proceed.
