# Diversified Forage Tour

College of the Ozarks Hog Farm  
257 Gobblers Knob,  
Hollister, MO

**SPONSORED BY:**  
**Branson Bank**

## Program Highlights

Sunn Hemp  
Establishment of Native Warm Season Grasses  
Tour of CofO Polyculture  
Johnsongrass

Presentations will be given by Harley Naumann, MU professor, Tim Schnakenberg, Agronomy Specialist, Tammy Holder, CofO Professor of Agriculture/Farm Manager, and Michael Dennigmann, Agronomy Assistant. *A BBQ meal will be provided. Please call the Taney County MU Extension office at 417-546-4431 by Monday, September 23rd to preregister.*

## Directions to the Site

The tour will occur at 257 Gobblers Knob, Hollister, MO. From Hollister: Head east on Highway BB, for 2.5 miles, past Hollister High School, we will meet in the field at the junction of BB and Gobblers Knob. Look for Extension event signs.
