20% Discount For Taking Two or More Classes!!

**Extreme Couponing College (\$10)**

Thursday February 7th, 1:00-3:30 pm

Instructor Angie Fletcher, Human Development Specialist

Have you ever seen the extreme couponing shows on TV? Wish you knew how they do that? While expecting to pay such low amounts for hundreds of dollars' worth of items is a bit unrealistic, savings are there for the taking when it comes to couponing! With a bit of time and planning you too can experience the satisfaction of saving money on items you regularly purchase.

Along with couponing basics, other topics will include ; finding coupons, stockpiling, store policies and how they relate to couponing and organizing.

**4-H Shooting Sports Safety Class (free)**

Tuesday February 19th and Wednesday February 20th, 6-9 pm both nights

All youth interested in joining our 4-H shooting sports program are required to attend this safety training. All participants must have this two part 6 hour safety course to be in the 4-H shooting sports program.

**Pruning Demonstration (free)**

Wednesday February 20th, 1:00 pm

Instructor: John Avery, from the Fruit Experiment Station

John will walk you through the basics of the correct method of pruning fruit trees. Winter is the time to prune many trees, including fruit trees for superior growth in spring. This Demonstration will be held at the Justice Center.

**Focus on Kids (\$30)**

Thursday February 28th, 2:30 pm to 4:30 pm

Instructor: Cammie Younger, Nutrition and Health Education Specialist

The purpose of this workshop is to help parents learn how to nurture and support their children during and after their divorce.

**Private Pesticide Applicator Training (\$15)**

Wednesday March 20th 10:00 am– 12:30 pm

Instructor William McClain, Agronomy Specialist

Missouri law requires all agricultural purchasers and users of restricted-use pesticides to attend a training session to be certified for a private pesticide applicator license. Obtain license by attending a special course. 3 hour class.

**Drought Restoration and Pasture Fertility (\$10)**

Wednesday March 20th 1:30 pm– 3:30 pm

Instructor William McClain, Agronomy Specialist

**Small Business Development (\$30)**

Monday March 25th 6:00 pm– 9:00 pm

Instructor Willis Mushrush, Business Development Specialist

This three-hour offering will provide you with an overview of the critical first steps associated with starting a business. It is designed specifically for those who are thinking about a new business venture.

Participants will assess their strengths and weaknesses in terms of business ownership, learn about the importance of planning, discuss legal and regulatory requirements and identify sources of funding.

**Focus on Kids (\$30)**

Thursday March 28th, 2:30 pm to 4:30 pm

Instructor: Cammie Younger, Nutrition and Health Education Specialist

The purpose of this workshop is to help parents learn how to nurture and support their children during and after their divorce.

Pre-registration is required.

(The Texas County Extension reserves the right to cancel any course without sufficient enrollment.)
